

The new process of placing deals through your Franchisee and fees for DealShaker

Individual business

Registered Business

The process of Posting a deal on DealShaker through your Franchisee

1. The merchant has to send an email to the Franchisee with his registered username, price of all initial deals and information about all the deals to be approved in DealShaker
2. The Franchisee has to respond by providing payment method (bank account, PayPal wallet suitable for the country) after the deal is approved for upload on DealShaker
3. The Franchisee can approve the deal after the **set-up, monthly and deal fees** have been paid

1. The merchant has to send an email to the Franchisee with his registered username, price of all initial deals and information about all the deals to be approved in DealShaker
2. The Franchisee has to respond by providing payment method (bank account, PayPal wallet suitable for the country) after the deal is approved for upload on DealShaker
3. The Franchisee can approve the deal after the **set-up, monthly and deal fees** have been paid
